HISTORY

Gemini has been powering innovations for over 30 years in conventional and unconventional oil & gas, in-situ heavy oil and heavy industrial facilities across Western Canada.

WHO WE ARE

Gemini Corporation is a Canadian public company headquartered in Calgary, Alberta. We have provided the highest quality engineering and field solutions to our clients domestically and on selected international projects since 1982. Gemini has offices in Calgary, AB, Fort Saskatchewan, AB, Ponoka, AB, Sherwood Park, AB, Dawson Creek, BC, and Lloydminster, AB.

SERVICES

Gemini is a professional services firm providing multi-disciplined engineering and field solutions for energy and industrial facilities. Our strategy is to combine our engineering expertise with our field services capabilities to deliver integrated solutions. We are capable of servicing your project from beginning to end – from engineering to fabrication and construction management, all the way through to maintenance. We can provide a full scope of engineering disciplines and pride ourselves in successfully executing projects that are safe, high quality, cost effective and on schedule.

BRAND PROMISE

Gemini's promise is to hold itself accountable for the solutions we deliver.

VISION

Gemini achieves profitable growth by supporting the development of our people's knowledge, skill, talent and enthusiasm to provide the highest quality solutions that support our clients businesses.

VALUES

People, Safety, Relationships, Quality, Community

SAFETY

Gemini employs full-time health and safety officers that work in support of all levels of management to uphold our commitment to safety and ensure our policies are firm, unwavering and actively managed at all levels. Gemini's commitment to safety has been recognized with several awards including the Work Safe Alberta 2007 Best Safety Performer Award and the 2009 WCB Saskatchewan Certificate of Achievement. These awards acknowledge exceptional performance in workplace health and safety.

QUALITY

A core value of Gemini is, "We take pride in our ability to meet the quality expectations of our clients." Gemini has a strong commitment to Quality Assurance (QA) and Quality Control (QC).

Our program is designed to promote client satisfaction and eliminate re-work from the design and construction process by:

- Understanding our client's goals and priorities
- Clearly defined project procedures
- Continuous improvement through new efficiencies and innovations
- Leveraging the best technology and expertise available

SOCIAL RESPONSIBILITY

Gemini understands the importance of giving back to the communities in which we work and together with our employees, we endeavour to have a positive impact. Our community support program reflects our core company values and our commitment extends to the small towns and communities where we do business. Gemini also supports students who have excelled in their commitment to their studies, their school and the community through various awards, bursaries and annual donations.

Shares of Gemini trade on the TSX Venture Exchange under the symbol "GKX".
