

GEMINI WINS \$15 MILLION OF NEW BUSINESS

Calgary, Alberta – June 30, 2017 – Gemini Corporation (GKX-TSXV) is pleased to announce that the company has recently won \$15 million of new business from four major clients. Two of the clients are major heavy oil producers and two are major players in the midstream energy sector. All of the projects are scheduled for 2017 completion.

“I am proud of the way our team has demonstrated creativity and innovation in their approach to delivery and execution. Gemini has created solid value propositions by aligning our capabilities with the needs of our Clients through the business development process. The high standards of execution and quality that Gemini is known for is another factor contributing to our success on these proposals” said Peter Sametz, President and CEO.

The new business encompasses work primarily in the fabrication, construction and maintenance sectors of Gemini’s business.

ABOUT GEMINI

Gemini operates as an integrated project solutions company focused on energy and industrial facilities. Gemini offers services on either a stand-alone basis or in a combination, integrated to provide our clients with a single point of accountability. The Company is celebrating its 35th anniversary in 2017.

Through an all-in commitment from every individual in the Company, Gemini is determined to change the client perspective of how project services should be delivered. The Company is uniquely qualified to provide a full spectrum of modular and integrated project solutions, leveraging a philosophy and approach that directly aligns with its clients’ business objectives.

The Company is capable of servicing its clients through the full life cycle of their assets; from asset acquisition, environmental and regulatory support, engineering, fabrication, construction, maintenance, turnarounds, de-commissioning, reclamation and remediation. Gemini provides full project management to integrate any or all of these services. The Company’s principal target markets are oil and gas, heavy oil, oil sands, midstream and pipeline facilities, hydrocarbon processing, power and other industrials.

The Company operates in western Canada and is headquartered in Calgary with offices in Ponoka, Fort Saskatchewan and Fort St. John.

Shares of Gemini trade on the TSX Venture Exchange under the symbol “GKX”. For more information about the Company and its services, go to www.geminiCorp.ca.
